

The Mackenzie Satellite Printing Shop (Marshville News) rolls again this Labour Day weekend. This will be our sixth year of our participation in this Heritage Festival. Stroll back in time and enjoy a fun filled day of nostalgia and of course visit The Printery staffed by the Mackenzie Directors and their wives. See the 1895 Whitlock Press in action. The three day event attracts over 30, 000 visitors. This is a great opportunity for us to promote the Mackenzie Museum to future visitors.

Located in Wainfleet, Hwy. 3 and Regional Road 24.

Over 125 costumed exhibitors from Manitoba to Nova Scotia. Antique Farm, Steam Engines, Tractors, Vintage Automobiles.

Demonstrations, Entertainment, Treasures, Tasty Foods and Treats. Restored Old School House and Log Cabin.
